OBJECTIVE

A motivated first-year Computer Science student and aspiring software innovator with a strong interest in programming and app development. Seeking opportunities to apply problem-solving skills, teamwork, and leadership abilities while learning from peers and contributing to technical and academic initiatives.

EDUCATION

Bachelor of Technology in Computer Science Engineering 2025–2029

Rajagiri School of Engineering & Technology, Kakkanad

' S1 SGPA: 10.00 / 10.00

' S2 SGPA: 10.00 / 10.00

Higher Secondary Education (XII) 2023–2025

Devamatha CMI Public School, Thrissur

' PERCENTAGE: 96%

' Board: Central Board of Secondary Education (CBSE)

High School Education (X) 2022–2023

CMI Public School, Chalakudy

' PERCENTAGE: 97.6%

' Board: Central Board of Secondary Education (CBSE)

PROJECTS

Python-Based Mathematical Equation Solver

' Developed a Python-based application to solve linear and quadratic equations involving results.

Implemented an integrated calculator and user-friendly logic to enhance usability and computational efficiency.

Smartphone Specification Search & Chatbot Application

' Developed a Python-based application that allows users to search smartphones and view in a user-friendly manner.

Integrated a chatbot feature to handle user queries related to smartphone specifications, improving accessibility and user interaction.

Interview Fraud Detector

' Developed an interview fraud detection system that analyzes candidate behavior and identifies dishonest or suspicious activities during online interviews.

Immersive Regional Weather Experience Application

' Developed an immersive weather application featuring region-specific visuals and dynamic weather updates, including rain, snow, thunder, and wind to enhance the user experience.

SKILLS

- Python
- Programming in C
- Object-oriented programming using Java
- SQL
- Cybersecurity Fundamentals
- Data Science Fundamentals
- Swift Programming Basics
- Problem solving skills
- Logical thinking
- Team Collaboration

CERTIFICATIONS

- Artificial Intelligence Fundamentals - IBM
 - Cybersecurity Fundamentals - IBM
 - Cyber Threat Management - Cisco
 - Software Engineering Essentials - IBM
 - Fundamentals of Digital Marketing - Google
 - Quantum Machine Learning - IBM
- 35+ additional certifications (IBM, Google, Cisco, Infosys Springboard, IEEE, etc.)*

PROFESSIONAL DEVELOPMENT

- ' Secured 3rd Prize at Vibe Night, a cultural event conducted as part of the Abhiyan Engineering & Technology.
- ' Participated in the Smart India Hackathon, gaining hands-on experience in problem-solving.
- ' Participated in Hacksus, a national-level hackathon organized by Rajagiri School of Engineering, collaborating on innovative solutions and applying technical skills in a competitive environment.

LANGUAGES

- English: Fluent
- Malayalam: Mother tongue
